ANNOUNCING MEMBERSHIP DRIVE: Anne Parker, Chairperson of the Membership Committee, is pleased to announce that the Membership Committee is hosting a GOVERNMENT EMPLOYEE MEMBERSHIP DRIVE.

The Detroit Post is interested in increasing membership of metro Detroit government employees, including the Corps of Engineers, TACOM, and Selfridge ANG to allow government entities to interact and participate with our organization. Therefore, we are hosting a membership drive at reduced rates to government employees through December 2007. The Detroit Post SAME invites government employees to a reduced 1 year membership rate of \$25.00.

The Detroit Post is planning to meet occasionally throughout the year at TACOM and Selfridge ANG bases to give those government employees the opportunity to interact with Post activities on a regular basis. The regular luncheon meetings will continue to be held in downtown Detroit.

In addition to a reduced membership rate, the Detroit Post is also offering government employees a reduced luncheon cost of \$10.00 through December 2007. Government employees who are not SAME Members are welcome to the SAME Luncheon reduced rate once per calendar year. Additional luncheon attendance will require full payment (unless you become a SAME Member).

There are many benefits being a SAME member, including the following:

- Promote and facilitate engineering support for national security
- Build and enhance relationships and competencies among uniformed services, public and private sector engineers and related professionals
- Stay on top of developments in the AE field including contracting, design, environment and emerging technologies
- Participate with other organizations such as ESD, MSPE, ACE
- Earn continuing education credits at monthly luncheons and annual meetings
- Participate in activities that support our Education Award Fund
- Mentor Young Members

If you are interested in joining during our government employee membership drive, please contact Pam Horner, Post Secretary, for further details (pam.horner@usace.army.mil).

MEMBERSHIP: It is very important that you keep your membership contact information current. Without current contact information for our members, the Detroit Post and SAME HQ are unable to send out important membership information such as membership cards, certificates, magazines and invoices. Additionally, if SAME HQ does not have current information on members, the membership Post Roster reports will reflect outdated information and result in members not being contacted with important information. Currently, SAME HQ receives quite a bit of return mail and e-mail each month for incorrect addresses and/or no forwarding address. The U.S. Post Office charges a fee for returned mail and SAME HQ would prefer to put this money to better use.

You can update your contact information by using the change of address card found in every issue of *The Military Engineer* magazine, by mailing, faxing or e-mailing their change of address information to SAME HQ, or by going online to www.same.org/memberupdate. Keeping your contact information current benefits you and the entire Society.

Please be advised that presently the SAME Web site requires two different logins depending on the Web activity. For all members who wish to view “Member’s Only” areas such as Society, Regional and Post Operations, and Member Benefits must use their last name and six-digit numeric member ID. Individual members, who wish to update their contact information, must use the e-mail address we currently have on file for them and a unique password. If they do not know their password or have forgotten it, they can e-mail the membership department at member@same.org. Sustaining Members must use their last name, member ID and e-mail address in order to update their contact information using the web. If there is no e-mail on file in your membership records, you need to call SAME HQ membership department and have them input your e-mail.

Much effort is required to address undeliverable mail and we greatly appreciate your assistance in updating your contact information to make this job easier.

COMMITTEES: Cathy Misko, chairperson of the Readiness Committee is looking for volunteer committee members. If you have an interest in Readiness and Homeland Security, please volunteer for this committee. There are new requirements from National for this committee and it will require active participation throughout the year. If

interested in learning more about this position, or volunteering, please contact Pam Horner, Post Secretary at 313-226-6748.

PROFESSIONAL DEVELOPMENT: The Detroit Post offers Professional Development Hour (PDH) credits for attendance at designated SAME events. The Professional Development Committee will maintain records and track PDH credits earned by attendees at Post events. At the end of the program year, credits will be documented. If you need a copy of your credits, please contact the chairperson, Mr. Scott Bell. If you have any questions, feel free to contact Mr. Bell at (734) 332-1200 or by e-mail at sbell@limno.com.
