

2009 SOCIETY OF AMERICAN MILITARY ENGINEERS

SMALL BUSINESS WORKSHOP

In cooperation with the US Army Corps of Engineers
and the Small Business Administration

The Society of American Military Engineers with the support of the Detroit District US Army Corp of Engineers (USACE) and the Small Business Administration (SBA) cordially invite you to attend the 6th Annual Small Business Workshop being held on 24 April at Selfridge ANG Base, Harrison, MI. The program will provide opportunities for small and large businesses to network with Local and Federal Agencies.

There will be display tables along with educational information on how to do business with government agencies.

The one day event will be moderated by LC James Davis (Detroit District Commander) and the luncheon keynote speaker will be Major General Bradley Lott (USMC retired). There will be an After Glow on the base at Mulligan's which will allow you to continue to network with businesses and government agencies.

For details on the conference, visit the Detroit Post web site: <http://posts.same.org/detroit>
