SAME-DETROIT ANNUAL GOLF OUTING

Help Support the SAME Education Fund

Whispering Willows Golf Course

Whispering Willows is one of the most popular golf courses in the area. Although it is not a long course, it is a good test for the average golfer with some very challenging par 3's. Whispering Willows supplies the area with a driving range, (both artificial mats and grass tees from which to hit) along with a putting and chipping green. Hit the ball straight and it will yield some birdies; hit it crooked and pay dearly.
